Bird Field Issues

This is a repeat from last newsletter:

- Things are looking good. Had to move kitchen roof replacement to Spring. **John Coffey** replaced the trim on west side of clubhouse where rain was getting in. Need to bleach inside leaks lest they start to mold and in addition, caulk the seams of the exterior covering. All lawnmowers have been winterized.
- JR made some timely “grabs” for the field. He seized the opportunity to get 4 poly chairs and a table for outdoor use. He also had an opportunity to grab 8 cushioned steel armchairs. They are currently set up inside the clubhouse.
