First Pilot / Pot Luck Lunch / Club Meeting Re-cap

First Pilot:

We established a new category this year –
Jets (Ducted Fan Electric)

Here are the results:

First Pilot Nitro – **Paul McRann**

First Pilot – Electric – **Aaron Stubbs**

First Pilot Jets – **Shawn Reed**

First Crash – **Paul McRann**

Lash Crash 2021 – **John Stump**

Club Meeting:

- Log Splitting Party date established – May 28, 10 am (will break for club pizzas). If 8 or 9 guys show up, it will be complete by lunchtime. **JR** to bring log splitter.
- **Mike Smith** and **Shawn Reed** are spearheading Flea Market on June 18
- Need some engineering ideas (and physical help) on setting up wood burning stove back inside club house. Previous steel chimney support system was trashed in the wake of soccer fields displacing the club. Call or text me 443-790-4348
- Most of the west side exterior panels of clubhouse needs replaced (due to mold and deterioration) before setting up wood burning stove. **John Coffey** to spearhead that.
- If we lose field, pro-rated dues will be returned to the members before any other decision about what to do with the Treasury.
- AMA sent us a \$50 Gift Card to be used at our upcoming events. **Ray Stinchcomb** presented it to Steve and me. I will be buying some prizes for “yet to be planned” events. Memorial Day, 4th of July, etc.

- Club picnic to be at Bird Field sometime in October.
- Safety concern about a particular member was thoroughly discussed. The Safety Officer and the President will give the member a “first offense warning.” Second offense will be removal from club.
- **Randy Kleinert** received permission to use Rec Center for Indoor Flying on Sundays during inclement weather. He and I will advise (probably Sunday morning) via email if Rec Center will be available. Address of Back River Rec Center - 801 Back River Neck Rd. Essex, MD 21221
 - 50-50 raffle resulted in **Aaron Stubbs** winning \$62 and donating \$12 back to the club. (He likes round numbers.)

Pot Luck Lunch:

- Our new owners, **Dan and Katie Sines** accepted our invitation and brought a delicious entrée, Pork Bellies. Majority of the club members have never tried Pork Bellies. Overwhelming majority tried them and loved it. If you like bacon, you’ll like Pork Bellies.
- **Mrs. John Stump** made her sought after potato salad. People were coming back for seconds only to be turned away. It disappeared very quickly.
- **Shawn Reed** brought his, now famous, meatballs. They were great. There were only 10 or so left at the end of the day.
- Food Donations jar had \$69 in it. Thank you.
- Summary of expenses: We cleared \$17.70 after buying burgers and supplies like paper towels and plates, etc. and a new flag. It was a good day for the Treasury. Old flag was burned in ceremonial fashion.

Happy to report...NO cigarette butts were found on the ground. Congrats gentlemen and thank you.
